SCHMUESER GORDON MEYER ANNOUNCES NEW EMPLOYEE

GLENWOOD SPRINGS, Colo., February 2, 2007 - Schmueser Gordon Meyer (SGM), an engineering and surveying firm founded and headquartered in Glenwood Springs, Colorado, is pleased to announce that Jennifer Rice has joined the firm as a Design Engineer.

Jennifer began her career in engineering with GTC Engineering in Orlando, Florida and most recently worked for High Country Engineering in Glenwood Springs. Jennifer is a graduate of the University of Central Florida, with a Bachelor of Science in Civil Engineering.

SGM is a full-service engineering and surveying firm for both the public and private sectors of Western Colorado. For more than 20 years, SGM has had a strong presence in Colorado and held a significant role in many development projects. The firm has grown from 15 to more than 70 employees, with offices in Glenwood Springs, Aspen, Crested Butte, and Meeker, Colorado, and in Alaska.
