

Water - Wastewater Treatment

Water - Wastewater Maintenance

MEMO

Date: August 10, 2010

To: Whom It May Concern

From: Buddy Burns - Superintendent - Water/Wastewater - City of Glenwood Springs, CO.

RE: Letter of Recommendation

*Buddy Burns*

I have had the opportunity to work with Schmueser Gordon Meyer on several projects. The most recent one being the new regional wastewater treatment facility for the City of Glenwood Springs. I have always found their employees to be very professional and very knowledgeable. If I have had any concerns or questions, they have been addressed promptly and satisfactorily.

Please feel free to contact me at 970-384-6344 for any questions you may have.
