Mr. Meyer:

It is a pleasure to inform you that the I-70 Rifle Roundabouts, Phase I, Rifle, Colorado, has been selected as the winner of the American Concrete Pavement Association, Colorado/Wyoming Chapter (CO/WY ACPA) 2009 *Excellence In Concrete Pavement Award* in the category of Municipal Streets and Intersections <30,000 Square Yards (Colorado).

CO/WY ACPA is proud to recognize Schmueser Gordon Meyer (SGM, Inc.) as the designer of this project.

The *Excellence In Concrete Pavement Awards Program* honors accomplishments in the concrete pavement industry in Colorado and Wyoming annually for projects completed in the previous year. The association is pleased to recognize SGM, Inc.'s success with this award and the chapter is proud of your achievement.

Again, congratulations on this award!

Best regards,

*Ron Youngman*
